

Essential sciences build the future

Physicist Ward Plummer is a member of the National Academy of Sciences, which places him among the world's intellectual elite. And as one of 36 joint appointments to Oak Ridge National Laboratory, Plummer is part of UT's leadership of this premier scientific facility.

At UT, we aren't just building stronger students. We're building a stronger Tennessee. And that's something we can all look forward to. [tennessee.edu](http://tennessee.edu)
