

We have a passion for history

*“Knowledge of our past is essential to keep us from repeating yesterday’s mistakes. With its rich tapestry of religious dissent, political organization and global trade, the medieval and Renaissance era offers much from which we can learn.”*

THE MARCO INSTITUTE FOR  
MEDIEVAL AND RENAISSANCE STUDIES

When UT's Marco Institute won a highly competitive matching grant, it instantly grabbed the spotlight as one of the most ambitious and best-funded medieval and Renaissance studies programs in the Southeast. Now it's on its way to becoming a major national presence.

At UT, we aren't just building stronger students. We're building a stronger Tennessee. And that's something we can all look forward to. [tennessee.edu](http://tennessee.edu)
